

School of Computing and Engineering
{Revised in Lieu of Previous Offer Sent on March 7, 2022}

14 March 2022

Mr. Thomas Pasquier
Email: thomas.pasquier@etu.u-paris.fr

Dear Mr. Pasquier:

On behalf of Dr. Farid Nait-Abdesselam, I am pleased to offer support as a J-1 Academic Intern (Job Code: 5200) in the Computer Science Electrical Engineering Department at the University of Missouri-Kansas City (UMKC), for the period April 18, 2022 through July 15, 2022. This is a part-time, 32-hours/week non-benefit-eligible academic appointment at an hourly rate of \$11.50. (\$4784.00 USD total salary) You will be required to submit an electronic timesheet to be paid. Your salary will be directly deposited into your bank account every two weeks on Wednesday. All salary is subject to applicable federal, state, and local income taxes.

You will report to Dr. Farid Nait-Abdesselam, Professor. Your duties and responsibilities will be assigned by Dr. Nait-Abdesselam, as well.

Employment at the University of Missouri may not exceed 32 hours per week for international student employees, or 80% FTE (full-time equivalency). Therefore, you must notify us of all concurrent and future employment activities you engage in at UMKC, so we can avoid your effort exceeding this weekly maximum. Your signature below attests that you understand this restriction.

This offer will immediately become null and void should you at any time become ineligible for employment according to the laws and/or policies of the United States, the U.S. Citizenship & Immigration Services, or the University of Missouri-Kansas City.

I will appreciate your response to this offer of employment by March 20, 2022. If you accept the offer, please sign below and send the scanned, signed letter in **.pdf format** to Ms. Stephanie Griffin (griffins@umkc.edu), with a copy to Dr. Nait-Abdesselam (naf@umkc.edu). In addition, please make an appointment as soon as you arrive with Camille Johnson-Arnold (johnsonarnoldc@umkc.edu), our School's Human Resources Liaison, who will work with you to prepare your employment contract. We look forward to receiving your positive response soon.

Sincerely,

Masud Chowdhury, Ph.D.
Chair, Department of Computer Science Electrical Engineering
Professor of Electrical Engineering

My signature below attests to my acceptance of and compliance with all the terms and requirements of this offer, as stated above.
